BAKERY & COFFEE GRÀCIA

## Wholesale / B2B Catalog

*September 2026*

We supply artisan bakery products, made from scratch with techniques and recipes brought over from the United States, to coffee shops, markets, shops, and pop-ups across Barcelona.

## How it works

- Write to us with your needs: which products interest you, and at what frequency and volume. Tell us what equipment you have or plan to buy (oven type, proofing chamber or fermenter, and freezer capacity).
- We'll recommend the right products and formats for your setup and arrange free samples for pickup at our bakery.
- We agree together on frequency and volume, and adjust the order as your needs change.
- Pickup at our bakery in Gràcia, or delivery within Barcelona (see Delivery zones below).

## Pricing

All prices are per unit, loaf, pie, or sheet as listed, **VAT included**. Each product has one price, whichever format you choose.

## Ordering and availability

We ask for at least 48 hours' notice on all orders. We supply Monday through Saturday. We don't deliver on Sundays. Delivery on official holidays is available with prior confirmation only, at a higher delivery fee. Our summer break (the last two weeks of August) and Christmas break (dates vary each year) may affect availability, so please plan orders ahead of time.

## Formats

Depending on the product, we supply:

- **Raw frozen:** ready to bake from scratch in your own oven.
- **Par-baked frozen:** finished off in your own oven.
- **Fully baked frozen:** just needs thawing.
- **Ready to serve:** baked fresh, no baking or thawing needed. Delivered Monday through Saturday only, never on Sundays, so plan your weekend stock ahead.

The formats available for each product are listed below.

## Minimum order quantities

Minimum order quantities are set per product (see below). Please contact us to discuss combined minimums across multiple products.
